Always a popular village, Shenstone is one of the most sought after locations for house buyers in the area. This traditional semi detached home enjoys a superb setting within the village with fantastic far-reaching farmland views to the rear. Set within beautiful mature gardens to both front and rear, the property offers a well planned layout which has been well cared for and loved over the years. There are two good reception rooms leading on to the large conservatory at the rear perfect for enjoying the views across the garden and fields beyond. There are three bedrooms on the first floor together with a re-fitted shower room, and there is a recently updated central heating boiler adding to the appeal. Shenstone lies equi-distant between Lichfield and Mere Green, Sutton Coldfield and benefits from excellent facilities including a popular primary school, choice of shops, pubs and the railway station on the cross city line. Property is always popular in the village, and we would strongly recommend an early viewing to avoid disappointment.
