

## 2, HAVELOCK ROAD, WOKINGHAM, RG41 2XU

**Rivers and sea risk**      **Very low risk**  
Very low risk means that this area has a chance of flooding of less than 0.1% each year.

---

**Surface water risk**      **High risk**  
High risk means that this area has a chance of flooding of greater than 3.3% each year.

Lead local flood authorities (LLFA) manage the risk from surface water flooding and may hold more detailed information. Your LLFA is **Wokingham**.

---

**Reservoir risk**      Flooding from reservoirs is unlikely in this area

---

**Groundwater risk**      Flooding from groundwater is unlikely in this area

---
