Description

Pear Tree Cottage is an attractive traditional Sussex style character cottage that presents part white weather-boarded double bay fronted elevations. To the ground floor is a delightful double aspect living room with a working fireplace, a large dining room and a snug with double doors out to the attractive rear gardens. The kitchen is of a good size with a stable door into the garden and a utility room with an adjacent shower room/wc. To the first floor there are four double bedrooms and a family bathroom. To the front the property enjoys the far reaching countryside views to the south. Outside the property has the benefit of off road parking and tandem garage and there is potential to create further parking if required. The rear garden is a particular feature of the property being deceptively large, immaculately presented and offers a very good degree of privacy. Whilst the property occupies a semi-rural location, the town of Robertsbridge is just a short drive away and offers a range of amenities, including shops, restaurants, vets and schools as well as a mainline station, with regular services to London Charing Cross. A wider range of amenities, schools and recreational facilities can be found at Battle and Hastings which are a little further away. The property is presented to the market with no onwads chain and viewing is highly recommended.

Directions

From the roundabout at Johns Cross head in a southerly direction on the A21 bearing left onto Hooks Beech which then feeds into Battle Road. Continue along this road passing through Swailes Green until reaching the cross roads. Bear right and the property will be found on the right hand side clearly indicated by our For Sale board.
