## GENERAL

The current vendors have invested significant money and time in the complete renovation of Maxwell.

The works have been carried out sympathetically to the highest order retaining the original character features such as pine staircase, covings and skirting boards, exposed stone walls and the feature of having 2 ship masts running up the property .

The property also benefits from more modern additions such as a brand new kitchen, double glazed sash windows throughout, recently installed carpets, new central heating radiators and much more.

The property also benefits from a double garage to the rear with a garden room underneath, there is great scope to convert the garage and offer it as a separate annexe/airbnb - (subject to planning).

The current vendors have also gained planning permission to convert the attic room to create a master bedroom space with a dormer window to rear.

For any information regarding the proposed plans can be discussed with the Agents.

MAXWELL is truly a coastal gem and is deserving of an internal viewing to really appreciate the works that have been carried out.

The Accommodation provides as follows -

## GROUND FLOOR

### Entrance Hall

22' 2" x 5' 3" (6.76m x 1.60m) via recently installed half glazed composite door with 'Maxwell' engraved fan light above, exposed arched cornices, slate flag stone flooring, original pitch pine staircase rising to first floor, central heating radiator, tongue and groove panelling to half wall, understairs

storage cupboard. Door into -
