No onward chain | Sought after village location | Generous sized plot | Potential to extend (STP) | 3 bedrooms | South facing garden

Description

An exciting opportunity to purchase this three bedroom semi-detached property requiring a degree of renovation, benefiting from a generous plot and situated in the popular village of Great Shefford. The property is offered with no onward chain.

Set at the end of a quiet lane overlooking fields to the front, the property provides on the ground floor; entrance lobby, kitchen/dining room, sitting room, utility/cloakroom.

Stairs from the hall lead to the first floor where there are 3 bedrooms and a bathroom.

The property is freehold and we believe it to be connected to mains water, electricity and sewerage. There is a wood burning stove in the sitting room which we understand has a back boiler and provides heating to the property. The property does require a degree of modernisation works.

Externally to the front of the property is an area providing off-street parking. Beyond a picket style fence and gate is the garden which wraps around the side of the property and opens out to the rear, providing a large south facing garden laid mainly to lawn. There is a gate at the far end of the garden which gives convenient access into the village.

Location

Great Shefford is a delightful village to the west of the county of Berkshire. The historic market town of Hungerford is just 5 miles south-west of the village and provides a comprehensive range of retail, leisure and educational facilities. There are good transport links with the M4 motorway only 2 miles away, and mainline rail links into London from Swindon and Reading.
