Description

Kingley Cottage is a charming Grade II listed home that has been lovingly maintained by three generations of the same family. The property brims with character while incorporating thoughtful modern updates by the current owners. This period home features both front and rear access, with the rear entry leading into a practical boot room. This space flows into the rear hallway, which includes a convenient cloakroom. The modern kitchen is well-appointed with a range of wall and base units and accommodates various free-standing appliances. It seamlessly connects to the dining room, which boasts an exposed brickwork fireplace and views over the front aspect. From the hallway, a door leads down to a large split cellar. With its good ceiling height, ventilation and a window facing the front, this versatile space offers excellent potential for conversion into additional accommodation. Completing the ground floor is a spacious sitting room/family room, a light and airy space with dual aspect views to the front and rear. This room features two charming feature fireplaces, adding to its warmth and character. Stairs from the main hallway lead to the first floor, where four generously sized double bedrooms await. The two rear-facing bedrooms overlook the rear garden, while the two front-facing rooms provide views to the front. A modern family bathroom, complete with both a bath and a separate shower, serves this level. A further staircase ascends to a handy loft area featuring a landing that serves as an ideal study space, along with two spacious rooms. This area was converted several years ago and does not meet current building regulations, so it is classified as loft space. The current owners have utilised these rooms as bedrooms, both of which are equipped with Velux windows overlooking the rear.

Outside

The property boasts gardens extending to both the front and rear. Starting with the rear garden, you'll find parking for three vehicles alongside access to the garage. A gateway from the parking area leads through to an illuminated pathway guiding you to the rear entrance. Spanning the width of the property, a beautiful sandstone-paved patio creates an ideal setting for alfresco dining. The remaining rear garden features a level lawn complemented by well-stocked raised beds, offering a perfect blend of greenery and practicality. Side access leads to the front garden, which is enclosed and laid to lawn. From here, convenient access to Paganhill Lane is available.
