Ground Rent

The vendor has informed us that there is no ground rent.

Service Charge

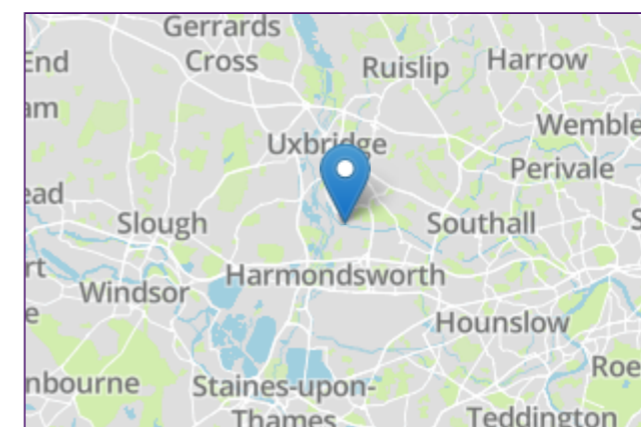

The vendors has informed us that the current service charge is £1850.00 per annum and the estimated annual service charge for 2025 is £1470.00 and there is currently a discretionary option to pay this charge by monthly standing order although the lease states the charge is payable in one lump sum in January and it is import to recognise that this discretionary option could be removed at any time – this is unlikely because the option has been in place since the early 1990s.
