£300,000 Leasehold

** Guide price £300,000 - £325,000 ** *** Vendors comments *** "When I first bought the flat, I was drawn to how much natural light it gets, the fact that it was brand new, and the rare bonus of having secure parking. The balcony quickly became one of my favourite spots, it catches the sun all day and feels like a private escape.

The flat is tucked away in a peaceful gated compound, which makes it feel secluded and safe, yet it's only a 7-minute walk to the station. From the beginning, it just felt like home".
