# Norsey Road

Billericay | Essex | CM11 1AN

This fantastic four double bedroom semi detached house has been extended to both the ground and first floor to provide amazing family accommodation.

The location of this home is superb with direct access from Norsey Close into Norsey Woods; perfect for dog walks and the High street and Mainline Train Station are just on your door step.

This deceptively spacious home boasts three large reception rooms, including a large living room with feature fireplace, a 5m dining room and a good size family room / TV / Playroom which is a great space to unwind. On the ground floor there is a fully fitted 5.5m kitchen overlooking the secluded rear garden and boasts a range of fitted units. Further more there is a good size hall with ample storage and a ground floor cloakroom. On the first floor the square shaped landing serves four double bedrooms with the main bedroom being the whole length of the house and includes a large en-suite shower room and large storage wardrobes.

The property offers further scope as the neighbour developed theirs by putting a stair case in from the landing and developed a further top floor loft bedroom which would give you amazing views over Norsey Woods.

To the front there is parking for several vehicles and a detached garage to the rear which is accessed from Norsey Close. Enjoying a corner plot location this garden offers great seclusion and is established, offering huge potential for further development and outbuildings.

An internal viewing is strongly advised to fully appreciate the size and space on offer.
