About the Property

On entering the property there is a useful enclosed porch that leads to the entrance hallway. The living room is situated to the front of the property and overlooks the enclosed garden. There is a separate dining room to the rear that has doors which open to the rear garden. The kitchen is sensibly located next to the dining room and is fitted with a range of modern units. To the first floor, there are three bedrooms which are serviced by a family bathroom which has a modern suite.

To the front of the property, the gated driveway provides off-street parking for several vehicles and leads to the detached garage. The garden to the front is mainly laid to lawn and mature hedging provides good screening. Gated side access leads to the rear garden which is also mainly laid to lawn with mature planting throughout. There is a large entertaining patio that overlooks the rear garden.

The plot extends in a triangular fashion and is particularly wide. For this reason, there is huge scope for extension (subject to any relevant planning permissions) and many other similar homes within the cul-de-sac have benefited from extensions.
