Vendor's comments: "As soon as I laid my eyes on this property, I saw the endless potential it had for my family! The stunning 125-foot-long garden was a huge factor for me—brilliant for large extensions to the property!"

This house is highly convenient for public transport services. It is close to the train and tram stations (Selhurst, South Norwood, West and East Croydon) and is also close to local shops and schools. Tension Park is also in walking distance from the house"
