

Ideally located a very short walk from Langley Station, this attractive Victorian three bedroom semi-detached home combines beautiful period character with modern living, set across three naturally spacious floors. This property is currently offered with no chain.

The house retains plenty of character, including original fireplaces, wooden floors and very tall ceilings, all typical of the Victorian period. There are two good-sized reception rooms providing flexible living or office spaces, whilst to the rear is a large open-plan kitchen diner with stylish granite worktops, integrated appliances and separate utility room, making it an excellent space for family living or entertaining. A downstairs cloakroom completes the ground floor.

Upstairs are two large double bedrooms and a spacious bathroom offering separate bath and shower cubicle, creating a large and comfortable family bathroom. The top floor hosts a third double bedroom with ample storage space, skylights and a cosy bay window.

One of the standout features of this property is the exceptionally large rear garden, mainly laid to lawn and offering fantastic outdoor space. A garage to the side of the property provides storage, whilst parking is available in front for three cars, on a newly-laid, modern resin driveway, whilst enjoying access to a fitted EV charger.

The property is offered to the market in excellent condition throughout and is situated in a convenient location within walking distance of multiple local schools, including Langley Grammar School. The currently un-extended home offers exceptional space suitable for future expansion, subject to normal planning consent) including potential for double-storey side and rear extensions.
