2 bedroom flat

Tyson Road

Forest Hill

Read all about it...

Conveniently located equidistant between Forest Hill and Honor Oak Park, sits this spacious split-level flat. Offering over 720 sq ft of internal space with a private section of the rear garden, the property feels more like a house than a flat once you're inside.

Originally a Victorian house, the exterior oozes with kerb appeal, and residents have the benefit of communal off-street parking as well as access to a communal garden at the rear of the building.

Entering the property, you will find a spacious kitchen with a built-in storage cupboard and breakfast bar, a clever WFH space under the stairs with built-in desk and shelving, and a bright reception room with sliding doors to the garden. On the first floor, there are 2 double bedrooms, the principal with wall-to-wall built-in wardrobes and a Juliette balcony, and the second bedroom with a built-in wardrobe. The bathroom is also located on the first floor and comprises a white three-piece suite.

The property has the additional benefit of being offered to the market with no-onward chain.
