THE AREA

Cambourne Drive is a lovely cul-de-sac, located just off Armadale Road, which is just off Beaumont Road close to Wigan Road. Junction 5, M61 is approx. 1 mile away, whilst Lostock train station, which is on the mainline to Manchester, is just around 1.5 miles away. Many people, therefore, look to live within this area who may be requiring the good transport links towards Manchester city centre and for general travel. The closest significant commercial centre can be found at the Middlebrook retail development which is an out-of-town style complex and includes a host of commercial opportunities with the likes of cinema, bowling alley, gym and restaurants etc. Primary and secondary schools serve the postcode and so we feel that the area offers a rather good 'family-friendly package'.
