ACCOMMODATION:

The property is entered via the front elevation where the primary entrance door opens to a reception area, leading onto the main living space at the heart of the property. There are two loosely defined spaces separated by a stunning brick lined archway, forming a spacious yet cosy sitting room focused around the impressive inglenook fireplace with integral log-burning stove, and an area currently used as a study. A stunning slate floor continues through these initial spaces as well as partially exposed stone walls and wooden beams. The ground floor continues in two directions from here, with a sizeable third double bedroom served by a wash room, providing versatility as guest accommodation suitable for those preferring to live on one level, or additional reception space as required. The enclosed inner hallway features stairs to first floor and a range of useful fitted storage cupboards, before leading to the kitchen. Having been recently modernised, this now includes a stylish range of contemporary fitted wall and base units with granite worktops, undermounted sink and space for a range style oven. Accommodation continues toward the rear, into cleverly designed dual-purpose utility and breakfast room, with space for informal dining and further fitted cupboards/appliances. The impressive dining hall beyond, offers a fantastic space in which to entertain family and friends, or even provide a fourth bedroom.

On the first floor you'll find two good size double bedrooms, with the principal room being of particularly generous proportions. The family bathroom is also spacious and boasts an attractive modern suite including walk-in double shower cubicle, separate bath and WC/wash basin within stylish vanity units.

OUTSIDE:

At the front elevation a hardstand provides off-road parking for one car and a sheltered courtyard leads to the front entrance. The rear garden enjoys superb privacy and an open aspect over adjacent fields, whilst providing a space suitable for a variety of needs. A resin bound pathway links the various areas for ease of access and maintenance, with a central lawn for recreation and pets, enclosed by attractive borders stocked with palms, shrubs and flowers. A timber shed provides useful additional storage and the greenhouse will suit those more green fingered buyers.

SERVICES:

Mains water, drainage and electricity are connected and an oil fired central heating system is installed. The property is currently banded C for council Tax within Somerset Council. Ofcom's online service checker states that mobile phone coverage is likely from three major providers and that superfast broadband is available in this postcode.
