Situation

Berkeley is situated to the west of the M5 and the A38, to the north of Bristol and to the south of Gloucester and Cheltenham. Berkeley Castle has been home to the Berkeley family for some 900 years, a popular and very interesting historical attraction. The town was also the home of Edward Jenner, pioneer of the smallpox vaccine. The Jenner Museum is a short walk from the High Street, past the brick cottage that Jenner gave to James Phipps, who as a boy was the first person to receive inoculation. A thriving small rural town, Berkeley has a variety of shops, building society, hotel, public houses and a primary school.
