OUTSIDE

The front garden is of low maintenance with a gravelled area and the boundary is created with picket fencing and gate. The rear garden is also low maintenance and is well presented, and has an Indian Sand Stone patio seating area directly off the property, ideal for entertaining, and from here is of low maintenance lawned section. There are 2 garden outbuildings, one being of traditional construction where there would have been an outside toilet, and the other being a modern construction with a flat roof and is currently being used as a gym, but could be used as a work from home building. The rear of the garden there is the added benefit of a gated access leading to an on street communal parking area.
