This stunning Victorian semi-detached home has been fully refurbished with great care and attention to preserve its original charm while introducing all the comforts of modern living. From the moment you arrive, the house captivates with striking curb appeal, including a beautifully restored façade, new sash windows with bespoke shutters, and a welcoming porch that leads you through a charming front garden. A cosy yet spacious dining room showcases exposed brickwork, a working log burner, and a large built-in storage cupboard. The main living room is ideal for family living or relaxed entertaining. Toward the rear, the heart of the home unfolds into an impressive extended kitchen.

Step outside into a thoughtfully re-landscaped garden that feels like a hidden retreat. The third bedroom, currently used as a nursery, includes a built-in cupboard and a walk-in wardrobe — offering excellent storage or future flexibility. Master bedroom leads on to the family bathroom is a showstopper, featuring a freestanding bathtub and a generous walk-in rainfall shower, all finished to a high standard with a nod to the home's Victorian roots. The second floor hosts a bright and peaceful loft conversion, currently used as an office but easily transformed into a guest room or third bedroom.
