Description

Boys School House is an individual, detached period property located on Lower Street in the heart of this popular village. Whiteshill is well known locally for its good community and allows for easy access to the shops, amenities and train station of Stroud with a park, community run shop, village pub and primary school close by. The accommodation is arranged over two floors and comprises entrance conservatory, two reception rooms, newly fitted kitchen with built in appliances, rear hall that could be converted into a utility space and boot room, family bathroom with recently updated white suite. The first floor offers three good sized bedrooms and a WC. The views from the front bedrooms are across the valley with the large windows allowing for lots of natural light. Further benefits include gas central heating, double glazing and being offered to the market with no onward chain.

Outside

The private, large flat gardens are to the front of the property and are a blank canvas for a new owner to create a space that works for them. The current vendor has previously had a productive fruit and vegetable garden, and there is space to incorporate an area for this purpose again. To the side is an off road parking space.

Location

Whiteshill benefits from a community ran village shop, a well-established primary school, a church, a playing field, village pub and walks on the doorstep in all directions. Stroud town benefits from an award winning weekly farmers market as well as a variety of local independent shops and stores, pubs serving locally supplied beers and ciders and plenty of cafes, bars and restaurants to eat and socialise as well as. The recently opened "Five Valleys" shopping centre is of particular note and is certainly worth a visit for a range of market stalls, food stalls and stores. The wider area has a range of shops and amenities, including supermarkets, a hospital, state and private schools, a leisure and sports centre and a main line railway station with inter city services travelling to London (Paddington). Cirencester (10 miles), Cheltenham (15 miles) and Swindon (25 miles) are all within comfortable driving distance.
