Stockwell Close

Billericay | Essex | CM11 2QA

Located in a sought after cul-de-sac location is this deceptively spacious three bedroom semi-detached family home that must be viewed internally to fully appreciate the size and space on offer.

On entering the property you are greeted by a light and bright hallway opening up to extensive accommodation to the ground floor, which provides good sized living space and makes it a great house for entertaining. The fitted kitchen has a range of fitted units, complimentary work tops and matching tiled splash. In addition the kitchen has the added advantage of dual aspect windows providing lots of natural light throughout.

On the first floor there are three good size bedrooms, two of which are doubles and a re-fitted modern bathroom suite with remote control shower. Outside the property there is off road parking to the front for two vehicles which is in addition to the shared driveway to the side leading to a detached garage.
