£545,000 Freehold

Property Summary

"I can remember selling these properties from new. They were so popular, being attractive homes, so conveniently positioned for village life". - Philip Jarvis, Director.

A four bedroom link detached house found within the Tolhurst Way Development just off the Maidstone Road in Lenham.

This thoughtfully designed house was built by Akehurst Homes to a high standard approximately six years ago. Although a modern home it has blended so well into the village surroundings and an early viewing comes most recommended.

Downstairs the sitting room enjoys views over the garden and there is a well fitted kitchen/diner to the front of the house. There is also a useful cloakroom.

Upstairs there is a spacious landing leading to the four well proportioned bedrooms with the master bedroom having an ensuite shower room. There is also a family bathroom.

There is a raised and terraced patio area that leads to the main area of garden that runs to the side of the house. There are also two allocated brick block parking spaces to one side of the property.

Well positioned, the village square of Lenham is only two hundred metres away making the location particularly attractive. The village boasts a range of amenities to include a mix of shops, doctors surgery, dentist, two schools and railway station. The M20 motorway is found approximately five miles away at Leeds village.

The house is being sold with no onward chain.
