DESCRIPTION

Set in a quiet cul-de-sac just a short stroll from the Cathedral, historic centre and High Street, is this deceptively spacious semi-detached bungalow. This well-presented property benefits from two double bedrooms, kitchen/dining room, sitting room with door to the garden, shower room, detached garage, beautiful gardens and off-road parking. Offered with NO ONWARD CHAIN.

Upon entering is a good size 'L' shaped entrance hall leading to all rooms and a large cupboard with space for storage and plumbing for a washing machine. The bright and spacious sitting room has a large picture window overlooking the gardens with a glazed door opening to steps leading down to the patio and gardens beyond. There is plenty of space for comfortable furniture and an arched stone fireplace with inset gas fire makes an attractive focal point. The kitchen dining room is again a good size and naturally divides to offer a dining area with window to the side and space to seat six to eight people along with a well-appointed kitchen. The kitchen, with window to the front, has a range of wall and base cabinets with ivory country style doors, integrated eye level oven, ceramic hob and space for both a fridge freezer and

dishwasher. A door opens out to the drive at the side of the property.

The generously proportioned principal bedroom has a built-in wardrobe and a large picture window offering views over the attractive gardens. The second bedroom is double in size and features two built-in wardrobes and a window to the front. The shower room comprises; a corner shower enclosure, WC and wash basin.

OUTSIDE

Approaching the property is a driveway with parking for two cars. A fence, with pedestrian gate, currently runs across the rear of the drive separating the drive from the detached single garage - this could be removed, if desired, to gain access to the garage and a further off-road parking space. To the front of the property is a low maintenance gravelled area with borders of mature trees, shrubs and planting.

The generous rear garden is well-maintained and features a paved patio with space for outdoor seating and entertaining. Adjacent to the patio is a gravelled area with pond and attractive planting. From here,

OUTSIDE (continued)

the garden is mainly laid to lawn with borders of shrubs, climbing plants and mature trees. To one side is a summerhouse, offering an additional place to sit and enjoy the garden. At the bottom of the garden, an arch leads through to a shady area where there is a view of Wells Cathedral. The detached single garage has an 'up and over' door to the front and a pedestrian door to the side.

LOCATION

The picturesque City of Wells offers a range of local amenities and shopping facilities with four supermarkets (including Waitrose), as well as twice weekly markets, cinema, leisure centre, a choice of pubs and restaurants, dentists and doctors, several churches and both primary and secondary state schools.
