Guide Price £1,000,000

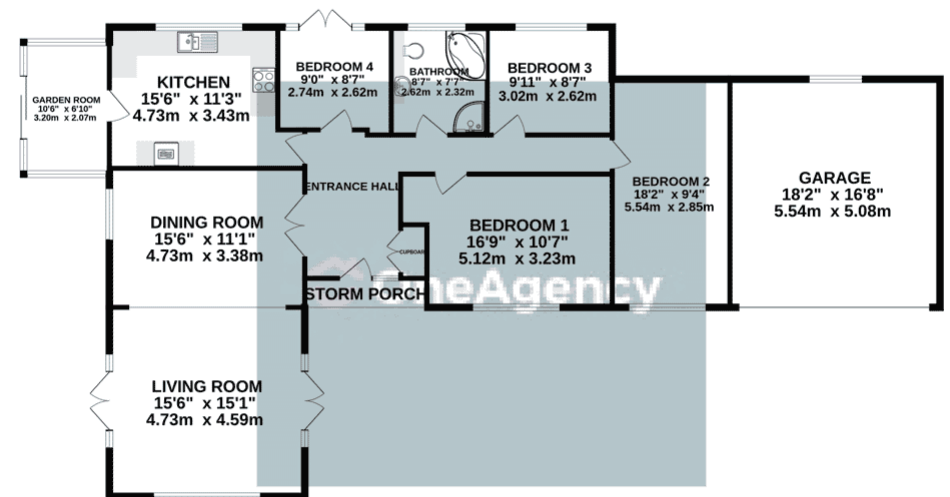

A truly unique opportunity has arisen to acquire a site comprising two residential properties alongside a substantial commercial premises. The holding is offered across three individual titles.

Farm Cottage - Title Number - CH380329 - A two bedroom end cottage with substantial outbuilding, with a total plot extending to approximately 7 acres.

Crewe Engines - Title Number - CH440288 - A substantial commercial property, site approximately 0.25 Acres.

Portree - Title Number - Title Number - CH440287 - A spacious detached bungalow with 3 / 4 bedrooms and garage. Site approximately 0.3 acres.

GROUND FLOOR

Crewe Engines - Main Building Overview

The main building is a substantial industrial premises of steel portal frame construction covered with steel profiled cladding sheeting. Natural light is available via 24 skylights. The main ground floor areas have a concrete slab finish. The main building also contains a mezzanine floor containing individual offices, storage and kitchen.

Access is gained to the main workshop area via four manually operated roller shutter doors (of approximately 4.00 metre width and clearance height of 4.65 metres). The workshop has a minimum eaves height of 5.00 metres and a maximum height of 6.90 metres.

Crewe Engines - Workshop Specification

The main workshop has high bay LED lighting fitted and is heated by warm air gas blowers (not tested). The main workshop building is alarmed and has a fire alarm system also installed (none have been tested).

Located off the main workshop is a separate store area with a smaller manually operated roller shutter door (of approximately 1.75 metre width and clearance height of 3.00 metres) and is racked out. This area is heated by a Benson warm air gas blower (not tested) and has fluorescent strip lighting.

Crewe Engines - Office and Staff Facilities

Also located adjoining the workshop is a trade counter and reception area, large storeroom, small storeroom, staff canteen and male and female toilets. These areas are heated via a gas fired central heating system and network of radiators (system not tested).

A flight of steel stairs situated within the workshop provides access to an enclosed mezzanine area consisting of a large open office/store area as well as Manager's office and kitchen.

Accommodation
Workshop – 180.95 m2
Car Port – 81.90 m2
Storage Shed – 11.63 m2

The property also benefits from a significant amount of hardstanding and open storage land.

Agents Notes

25 Year overage terms relating to the land with Farm Cottage.
a. Delivering to the seller a 50% uplift of the increased value of the land as realised by any significant planning consent.
b. The uplift would be calculated after deducting the original land purchase price and costs associated to achieving the planning permissions and
c. This would be supported by a restriction against the title at the Land Registry by entering a direct covenant so that the overage is enforceable as a contractual obligation for the agreed period.
