Outside

- The **rear garden** is a superb feature of the property as it faces a westerly aspect, offers an excellent degree of seclusion and measures approximately 30' in length
- The garden has been landscaped for ease of maintenance and incorporates a large block paved patio area with a further area of block paved patio continuing down to a useful storage shed and also down to a detached summerhouse which would make an ideal home office. The remainder of the garden is laid to gravel and bordered by raised well stocked flower beds. The garden itself is fully enclosed by fencing
- A **front driveway** provides generous off road parking
- A **side driveway** leads up to double wooden gates. Double wooden gates open onto a further area of block paved side driveway which in turn leads up to a former detached garage
- Former detached **garage** is now used as a useful storage space and has a metal up and over door. Adjoining the rear of the garage there is a useful secure lockable storage room
- **Further benefits** include double glazing, replacement UPVC fascias and soffits and a gas fired heating system
