About The Area:

Letchworth is the world's first Garden City, created to combine the finest elements of town and country living in line with Ebenezer Howard's pioneering vision. The area is rich in outdoor space, including the Garden City Greenway and Norton Common's 60 acres of grassland and woodland, all just a short distance from the town centre.

Letchworth features tree-lined avenues, generous walkways, relatively uncongested roads, and a vibrant mix of shops, cafés, and restaurants. Letchworth train station provides regular services to London King's Cross, as well as direct connections to Cambridge and the North via Peterborough.

By road, Letchworth is conveniently located just off the A1 at Junctions 9 and 10, and is approximately 22 minutes from Junction 23 of the M25. The M1 North is accessible via the A507, and Luton Airport is only around 12 miles away, offering excellent transport links for both business and leisure.

Step Outside:

The development features wonderful landscaped gardens and a garden room perfect for sitting with family and friends on a summer's afternoon. Visitors are also able to enjoy a coffee in the elegant 'Club Lounge' and should they wish to stay over there is a guest suite available. There is a dedicated House Manager on hand to take care of the running of the Development. Le Jardin also offers off road parking spaces for added convenience.
