Door to:

En-Suite

Having tiled floors and walls, mains shower in cubicle, chrome towel radiator, wash hand basin with mixer tap over, low level WC, extractor fan, spot light, shaver point and wall light points.

OUTSIDE

75 Stanhope Street, was originally a house, then over time has been extended at the rear and we believe it was once a shop at some point, and over time back to a residential house and now a HMO. At the front elevation there are two bay fronted windows which form the internal hallways and a front door to the property, this is approached from the street through a personal entrance with brick and iron railings forming the boundary which leads to the front door. At the side of the property there is a large concrete driveway/parking area which is covered over by a carport and is half attached to the neighbouring property and also has a recessed wooden gate set back off the road. There is an outdoor tap and power, and from here fencing either side of the property creating the boundary. At the rear of the property there is a double width slabbed path across the rear of the property creating, a small patio area, and in turn opens onto a lawned garden area with a path and fencing either side. There is a storage shed, trees and shrubbery and the boundary is brick walling at the rear of the garden belonging to the property.

AGENTS NOTE:

In the middle of the garden there is a ESS, National Grid have a right of access to maintain this electrical station which is fenced off for safety and has a locked gate.

CURRENT HMO RENTS as of 11/02/25

This property is a registered HMO and is currently achieving £32,220. Per Annum. 8.4% YIELD to prospective investors.
