WHAT THE OWNERS SAY

We bought our apartment in 2015 as first-time buyers, and over the years, we have grown to adore our beautiful space and also the charming town of Welwyn Garden City. Our love for both has kept us here for over a decade and if we could, we would take our apartment with us.

The apartment is located on the top floor on the corner of the building, with floor-to-ceiling windows that let in lots of natural light. The space is so bright and beautiful. We have spent 10 amazing years here, turning this apartment into our cosy little haven. We have had so many great times hosting friends and family, and this place has truly become our first home! It's got everything we need and more, making it the perfect spot for anyone looking for their first home.

Continued

Welwyn Garden City is a beautiful town offering us an escape from our busy working life in the capital! It's a perfect place to live if you're a commuter like us, and still offers a great living experience. We loved spending weekends in the town centre, there are great gyms, coffee places, cute dinner spots, grocery stores, and a gorgeous cinema in the Campus West for a cosy winter evening date, all within walking distance from our flat!

This garden city has so much to offer and we are grateful to have called it home for the last 10 years and. We will be sad to leave our beautiful apartment and town and we are sure you will love it just as much as we do.
