The enclosed porch creates a perfect seating/boot room and leads you to the main body of the house. Immediately on entering you are greeted with the immaculate presentation which is to be found throughout. The present owners have carried out a programme of work, creating stylish yet contemporary living all finished to a very high standard. The heart of the house is the kitchen/dining/day room. Bespoke designed kitchen with brushed gold handles creates ample storage, with a range of high quality white goods, boiling water tap and complemented by Calcutta Quartz worktop and splashback. The central island, with seating for four; makes the perfect breakfast bar. There is a separate utility which leads through to the ground floor shower room. From the kitchen you lead open plan into the dining/day room. A bright and spacious room with a bay window and custom made full height display and storage units. The lounge offers more of a formal area with stylish wood panelling, front aspect bay window and rear aspect patio doors giving direct access to the garden. There is also a most attractive fireplace, creating a lovely focal point to the room. The wood panelling continues from the hallway, which has beautiful engineered wood flooring, to the first floor landing. This is a spacious area and sits centrally to all four double bedrooms, serviced by the luxury family bath/shower room. Outside the property is approached via a gravel driveway, providing ample off road parking. The rear garden is predominantly laid to lawn, bound by panelled fencing and planted flower boarders. To the far end of the garden is a zoned children's play area. To continue the redesigning, the present owner have converted the garage into a home office.
