Description

Walnut Cottage is an attractive property built in 1998. Much loved and beautifully presented, it has been internally upgraded throughout by the current owners, creating contemporary and practical living. This elevated, individual home includes an impressive living room with feature wall mounted fire and inter-connecting door to the versatile dining room/movie room; a stylish L-shaped kitchen/breakfast room with bespoke handmade units, integrated appliances, hot water tap, banquette seating, fitted breakfast table, space for a range cooker, and space for an American style fridge/freezer in the pantry; a utility room; and downstairs cloakroom. A well designed split-level staircase gives access to the 3 double bedrooms, the c. 20ft master bedroom with a luxury en suite. There is also a family bathroom, and 2 loft areas ideal for a hobby/play area. Outside, there is a sweeping resin driveway behind wrought iron electric gates (shared with the neighbour), which leads to the front of the property and provides parking. The low maintenance southwest facing garden is mainly laid to patio and gravel with a decorative porcelain tile feature, enjoying three seating areas, one being raised on conduit decking. There is rear pedestrian access from Walnut Cottage opening to a bridleway which leads directly to Cleeve Common.
