MIXED USE OPPORTUNITY: Grade II Listed period property offering flexible accommodation of character for a variety of uses, situated in a prominent town centre location.

DESCRIPTION

This most attractive Grade II Listed period semi detached property of character offers spacious flexible accommodation laid out over two storeys and a prominent Fakenham town centre location within easy walking distance of all amenities. The property currently has full commercial use (Class E) but, in the past, the property has also been a private residence and could provide a rare opportunity for a residential conversion or, perhaps, mixed use with commercial premises to the ground floor and a residential apartment upstairs (subject to the necessary permissions).

Presented in excellent order, the existing ground floor accommodation includes an entrance hallway with 2 good sized office rooms, a useful store room, kitchen, boot/boiler room and a cloakroom. Upstairs, the landing leads to 4 more office rooms, a useful store room, cloakroom and shower room. The property further benefits from period detailing, gas-fired radiator central heating, 4 panel internal doors and sash windows. Outside, there is a small walled courtyard to the rear with a small outbuilding and a space to the side of the building suitable for the storage of refuse bins etc. An online virtual tour is available for this property by request from Belton Duffey.
