About the Property

On entering the property there is a good-sized entrance hallway which affords access to the fitted kitchen and the living and dining room. The living room is part open to the dining room and this creates an impressive feeling of space.

The kitchen is well appointed and fitted with a modern range of base and wall units. There is also a downstairs cloakroom/wc and storage cupboard to the ground floor.

To the first floor there are three bedrooms, and the principal bedroom has fitted wardrobes and an ensuite shower room. The two further bedrooms are serviced by a family bathroom which is well appointed.
