The Property

The main entrance into the development, with security code entry system, leads to all communal areas including a guest lounge which is used by the residents and has the benefit of a kitchen area and French doors leading out to well tended attractive gardens to the front.

The communal hallway from here leads round to the right where the apartment is situated at the far end on the right hand side.

A useful secondary entrance from the parking area also means the property can be conveniently accessed from a closer point if preferred.

The private entrance then leads into the apartment and a generous hallway (with intercom system and careline) provides access to all of the accommodation. A large airing cupboard is set off the hall which incorporates the hot water tank and useful storage.

The principal living accommodation comprises a good size sitting/dining room with dual aspect windows and patio door accessing a private outside seating area and allowing for ample natural light. A further benefit is a feature electric fireplace as a focal point.

The kitchen benefits from a window to the side elevation and offers a range of wood grain units with complimentary work surfaces and built-in appliances including an induction hob with concealed extractor above, single electric oven set at high level, spaces for a fridge/freezer and a washing machine and sink unit with drainer and mixer tap.

The double bedroom incorporates a large full height mirrored wardrobe and a double glazed UPVC window to the rear. Bedroom Two features a wall mounted heater and window to the rear elevation.
