Property Description

Merley Ways is a circular road comprising of a selection of detached houses and bungalows, with this particular property being situated in the south west corner of the development. The bungalow has a slightly elevated position from the kerb, giving it a degree of privacy. The accommodation currently offers a generous entrance hallway, which is central to the home, and there are two double bedrooms, living room, bathroom and kitchen. The hallway lends itself to the addition of a staircase to develop the loft space and, in our opinion, the home lends itself to extension (STPP). Furthermore, the home benefits from gas fired heating as well as double glazing throughout.

Gardens and Grounds

The gardens have been meticulously cared for and are primarily laid to kept lawns with a variety of mature shrub beds and borders. There is a block paved driveway suited to two vehicles and this provides access to the detached single garage. The rear garden has been laid to artificial lawn and has a courtyard feel about it, offering privacy and seclusion.
