Room Descriptions

Location

St Austell is one of the largest towns in Cornwall and offers a wider range of shopping facilities including the larger supermarkets and entertainments such as a bowling alley, leisure centre and cinema. Further afield lie the beaches of both the north and south coasts, the picturesque harbours of Charlestown and Mevagissey, the Lost Gardens of Heligan and of course the Eden Project. Surrounding the Cornish town of St Austell and its neighbouring villages is a surreal landscape created by more than two hundred years of clay mining.
