12 Hay Meadow, Lenham, Maidstone, Kent. ME17 2FG.

£625,000 Freehold

Property Summary

"I know why the current owners chose this plot. It is a light and airy house, found on a corner plot with no properties directly opposite to the front". - Philip Jarvis, Director.

A four bedroom detached house built approximately two years ago by Jones Homes in Lenham.

This house sits on an enviable corner plot towards one corner of the Development. The property is impeccably presented and an early viewing comes most recommended.

The double fronted accommodation is arranged downstairs with a dual aspect sitting room with square bay window to front and further bay window to side. To the other side of the hallway is an open plan through kitchen/dining room with modern units, another square bay window and double doors onto the garden. There is also a utility room and cloakroom.

Upstairs the master bedroom boasts an ensuite shower room and there are three further bedrooms and large four piece family bathroom with a bath and separate shower cubicle.

The gardens are access off the kitchen/dining room and even in the short time the owners have lived here have started to develop the garden. There is a patio area with a fixed structured pergola ideal for relaxing and entertaining in all weathers. There is also access to the garage.

In addition to the garage and driveway there is an additional parking space.

Lenham is a most popular village found between Ashford and Maidstone. It offers a wide range of amenities to include many shops, both a primary and secondary school and a railway station. There is access to the M20 motorway at Leeds village approximately five miles away.

An internal viewing comes most recommended to fully appreciate everything this property has to offer.
