DESCRIPTION

Set on the edge of town within a generous 0.34-acre plot, this detached three double-bedroom property offers a rare opportunity for those seeking a complete renovation project with scope to create a truly stunning, forever family home. The property currently comprises: a naturally bright dual aspect sitting room with sliding doors opening to the gardens and an open fireplace; a sociable open-plan kitchen/diner with a basic range of fitted cabinetry, worktops, a drainer sink and larder; a separate utility room with enclosed cloakroom; three good size double bedrooms with lovely countryside views and a family bathroom with a white three piece suite including shower over bath.

While the house requires full refurbishment, its well-proportioned rooms, large windows and versatile layout provide an excellent foundation for modernisation. The expansive plot offers ample space for extending (subject to planning), landscaping, or even adding outdoor features such as a garden studio, and will appeal to buyers seeking privacy and ample space for outdoor recreation, pets or entertaining guests.

Positioned on the outskirts of town, the location combines semi-rural surroundings with convenient access to local amenities, schools and transport links—ideal for family living.

This is a fantastic chance to adapt, design and create your forever home, tailored to your style and needs. With imagination and investment, this property could become a substantial residence in a sought-after setting.
