## LOCATION

Located in the very popular upper Aeron Valley on the edge of the Village of Llangeitho and approached over a short concreted driveway, 10 miles inland from the Georgian Coastal and Harbour Town of Aberaeron, just 4 miles from the Market Town of Tregaron, 10 miles from the University Town of Lampeter, to the South, and 15 miles South from the major Mid Wales University Town Coastal Resort and Administrative Centre of Aberystwyth.

## GENERAL DESCRIPTION

Penrallt is a delightful beautifully positioned small farm. The homestead enjoys a delightful position and has been our Clients home for over 40 years. The farmhouse has been refurbished in recent times and offers ample Family sized accommodation.

Additionally there lies a second property which is a converted barn/cottage that offers generous 2 bedroomed accommodation and provides a perfect Family annexe or as a

holiday let business (subject to consent).

The farm buildings further compliment the farm with a useful range of general purpose outbuildings with a Cattle store, adjoining cubicle barn and a Sheep shed that measures 90' x 38'.

The land extends to around 51 acres or thereabouts and is split into fifteen manageable paddocks all of which having water connection, being fully fenced and gated, and with good easy access points. The lower paddocks also enjoys a Bluebell woodland and a haven for the local Wildlife.

A property of this calibre and size does not come to the market often. It offers good lifestyle opportunities and possible income potential. The property offers more particularly the following.

### **THE LAND**

This is a particular feature of this farm in that it surrounds the farmstead and is divided into traditionally sized sheltered

and useful grazing enclosures. The land in total extends to around 51 ACRES, being well fenced and gated, and mostly enjoying good roadside access points. The majority of the land is clean, productive and capable of sustaining good stocking levels. The land is further enhanced by having useful ancient Bluebell woods which is a source of fuel, if so desired, and provides a most desirable backdrop and providing useful mixed use land. The land itself is mostly level but a number of fields are gently sloping. All the land has been managed and easily accessible by heavy machinery/tractors.
