Viewing is essential to appreciate the bright and spacious rooms which are arranged around a large reception hall with staircase and glazed banisters to the first floor. The living room has a fireplace with provision for a wood burning stove and at the heart of the house is a stunning Kitchen/Breakfast room arranged around a centre island with sliding bi-fold doors that open out onto the patio that takes in the views. The property features a state of the art gold standard zoned under floor heating system, energy efficient LED lighting and pre-wiring for multimedia with category 6 ethernet cabling throughout. Approached over a newly constructed road the property will have an area of block paved parking with access to the large double garage. The patios will be generous and set to both the side and rear of the property and the gardens landscaped and planted. With its appealing location and the benefit of a 10 year Protek warranty, viewing is highly recommended.
