We are thrilled to market this versatile and spacious three/four bedroom chalet style detached bungalow in a popular residential location referred to locally as Butlocks Heath. Built of brick elevations under a tiled roof, this lovely dwelling offers flexible living arranged over two floors. The ground floor comprises a hallway, cloakroom, living room, kitchen breakfast room, conservatory, second reception room, study and shower room, the latter rooms of which offer potential for a guest suite or similar. On the first floor are three bedrooms, with an en-suite to the master, and a bathroom. Outside, there is driveway parking for multiple vehicles, a garage, outbuilding and an enclosed rear garden.

Butlocks Heath is an area within Netley Abbey. Netley Abbey is home to Royal Victoria Country Park was once the site of the biggest military hospital in the Victorian Empire, this 200 acre site is now ideal for relaxation and leisure. All that remains of the hospital is the chapel, which acts as a heritage centre providing history of the hospital. It also has a 150-foot (46 m) viewing tower, providing views over the park, and across Southampton Water to Hythe, and on a clear day, as far as Southampton itself. Royal Victoria Country Park is located a few minutes stroll from the property. Netley is the most complete surviving abbey built by the Cistercian monks in southern England. Almost all the walls of its 13th century church still stand, together with many monastic buildings. Netley village offers a range of local shops and a choice of public houses. Schooling in the area is particularly attractive with Netley Abbey Infant and Junior Schools and The Hamble School all being in close proximity.
