Description

White Lodge is an attractive 1930's detached bungalow occupying a semi-rural location on the outskirts of Bexhill. The property presents attractive white rendered elevations below a pitched tiled roof with bay windows typical of the era. The property has been improved by the current vendors and now creates a wonderful family home. A spacious entrance hall leads to all the principle rooms including the main reception room which is approximately 22' in length and enjoys doors to the rear garden and opens into the modern shaker style kitchen. This in turn leads into a recently added conservatory which could also be used as a dining room or additional sitting room. Both bedrooms are generous doubles with attractive bay windows and the bathroom has a modern suite. Outside the property enjoys a secluded plot being set back from the lane screened by mature shrubs and trees. The front garden is predominantly laid to lawn, provides ample parking and access to the garage. The south facing rear garden is a particular feature of the property being level, of a manageable size and backs onto Highwoods Golf Course.
