Description

Vermont is a well presented detached bungalow in an elevated position just above Nailsworth. This popular residential road is very much part of the thriving local community, with the shops and amenities of the town within easy reach and country walks on the doorstep. We understand that the property was built in 1963 using traditional methods under a pitched roof and has been in the current families ownership for sixty years.

The accommodation is bright and airy, and arranged over one floor. This comprises an entrance hall, 18' sitting/dining room, kitchen/breakfast room, three bedrooms and a shower room. The layout allows for flexibility, and a prospective buyer may choose to use one of the bedrooms as a dining room or study. Most of the windows enjoy a pleasant outlook, with views from the front of the property over the valley to Watledge and Theescombe of particular merit.

Outside

The very pretty gardens surround the property with a paved patio to the rear and established gardens to the front and side. There are areas of lawn along with a wide variety of well established specimen trees, shrubs and planting. Tucked behind the garage is a greenhouse and compost area. The property also benefits from a detached garage, a drive with space to park two/three cars.

Location

Jubilee Road is just over half a mile from the centre of the town but also enjoys a delightful rural outlook down the valley. Nailsworth has become an increasingly popular shopping destination within the Stroud Valleys benefiting from a large and comprehensive selection of specialty shops including Williams Food Hall, the famous Hobbs House Bakery, various clothing and gift shops, several cafes and a good selection of very well regarded restaurants. Nailsworth is also home to Forest Green Rovers Football Club, and there is both state and private schooling within the area. Junctions of the M4 and M5 motorways are within easy reach and railway stations at Stroud (4 miles) and Kemble (10 miles) provide main line services to Gloucester, Swindon and London Paddington.

Directions

From our Nailsworth office turn left at the roundabout into Spring Hill. Continue up the hill into Nymphsfield Road. Bear right at the telephone box into Moffatt Road. Turn right below the green and continue down into Jubilee Road. The property can be found some way down on the left.

Property information

The property is freehold. Gas heating, mains electricity, water and drainage. The council tax band is D. We have checked the service and reception levels available locally through the OFCOM network checker and the broadband services available include superfast/ultrafast connections, and you are likely to have full service from the main service providers (EE, Three, O2 and Vodafone)
