

The current owner has meticulously upgraded the house using top quality materials. Over the last few years the house has been completely renovated. The floors have been replaced with new carpets and skirting boards. The living room has a feature wall with recessed lighting, adding elegance to the room.

The front door is brand new and security enhanced for peace of mind. New blinds have been fitted throughout the house and every detail has been carefully considered. This home offers plenty of storage with fitted cupboards and a large attic for extra space.

Outside, a new custom built shed complements the well maintained garden. The conservatory is under warranty, making it another attractive feature for prospective buyers.

With a new boiler still under warranty, this energy efficient home is as stylish as it is practical. It is worth noting that the property also benefits from a new front door plus a new alarm system. The property is truly move in ready, ideal for those looking for a home that requires no additional work.
