Clare Gardens built in 2008 is a modern development set down a quiet cul-de-sac off of Walsworth Road which is situated within a ten minute walk to both the main line train station and Hitchin town centre. This particular apartment is located at the bottom of the development and backs on to the wonderful communal gardens. The property benefits from an allocated parking space and a secure entry phone system to the block.

The apartment benefits from a lovely layout with a generous entrance hall with large storage/airing cupboard leading through to the main accommodation. The living room is a wonderful space with a feature fireplace and double doors leading onto a paved patio area and also benefits from air conditioning. The separate kitchen offers a range of work space as well as ample space for appliances. The two bedrooms are of a good size, the second bedroom could double up as an office or additional dining room depending on needs. The apartment is completed with the three piece family bathroom suite. Outside offers a lovely patio area off of the living room and a communal lawn garden beyond.

We have been advised by the vendor that the remaining lease on the property is 109 years, with a service charge of £618.32 per annum and a ground rent of £200 per annum.

Hitchin is a charming medieval market town and has many fine Tudor and Georgian buildings, particularly around the market square. Near to the market square stands the large medieval parish church of St Mary. The town provides good shopping as well as a swimming pool, football team, two theatres, a wide variety of restaurants and pubs and highly regarded girls' and boys' schools. There is also a mainline railway station providing direct access to Kings Cross and Cambridge.
