Newly refurbished | Character Cottage | 2 Parking spaces | Ideal investment opportunity | Popular village location

Description

This end of terrace cottage believed to date from 1855 has been sympathetically refurbished throughout by the current owner.

The cottage provides on the ground floor, a delightful sitting room with an exposed brick fireplace and a double glazed window to the front. To the rear of the property is the kitchen which has been fitted with a range of wall and floor mounted units under an oak worktop and includes a fitted electric oven and hob, plumbing for a washing machine and an under counter fridge. Stairs from the sitting room lead to the first floor where there is a generous sized bedroom to to the front with built in storage and, to the rear, is a newly fitted bathroom.

Externally there are two parking spaces allocated with the property; one immediately to the side of the property and the other within a communal parking area. There is a small walled garden area to the rear of the property.

The property is available freehold and we believe is connected to mains gas, electricity, water and sewerage. The property is heated centrally via a gas fired boiler and the loft has been fully insulated and boarded.
