Grounds & Gardens

Windmill is set within 4.3 acres of established mature gardens with a range of mature ornamental trees and shrubs creating a private plot set back from the lane.

There are currently two parking areas, one immediately to the front of the property and the other in front of the garaging which provides for ample parking.

An enclosed rear mature garden immediately abuts the property and makes for a perfect area for entertaining with superb aspects across the land and woods beyond.

A well built treehouse, constructed on raised wooden pillars, is set just to the rear of the garden and benefits from electricity and makes for a small oasis for children to play in and under.

An attractive walled kitchen garden provides an enclosed area which includes a greenhouse and an adjoining large chicken run.

To the left of the property a superb log cabin makes for a superb gym with showering facilities and its own garden which could be a useful annexe or a holiday let.

An upgraded and enclosed tennis court is set to the right hand side of the property having been resurfaced circa 5 years ago and is presented in good order.
