Property Summary

"If you are looking for a home with both plenty of space and potential then this could be the one".

A well extended four bedroom semi detached house found along School Road in Charing.

There is a two storey extension to one side of the house creating a new and contemporary kitchen/dining room and a second staircase leading to a bedroom with an ensuite shower room.

The original three bedroom house consists of an entrance porch, dining hall and separate sitting room. What was the original kitchen is now a large utility room and there is a useful rear store and cloakroom.

Upstairs accessed off the original staircase are three further bedrooms and a family bathroom.

Set back from the road in an elevated position, the house is accessed via a series of steps. The rear garden laid mainly to lawn is approximately 80ft in length.

The house is also being sold with no onward chain.

Charing is a popular village found between the market town of Ashford and county town of Maidstone. There are shops in the village along with a primary school and railway station. The larger village of Lenham is approximately five miles away.

Parking

There is no off road parking with the property, although there is an unallocated layby area to the front of the house.

Agents Notes:

1. The property is of a steel and concrete construction which has subsequently been brick skinned. The vendors have the certificate for this work.
2. There are solar panels on the roof to which the vendors own and receive a payment. See agent for more information.

GROUND FLOOR

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
