Description

4 Ferndale Cottages is an extended end of terrace cottage in a superb elevated location well away from passing traffic at popular Whiteshill. This location is very much part of the good local community, with a primary school, community run shop and a good pub within easy reach and country walks on the doorstep. The property has been the subject of a comprehensive renovation programme and has just been completed (May 2025). It offers one lucky buyer the best of both worlds – an older property in a wonderful village location with the benefits of modern plumbing, heating, roofing, wiring, fittings and solar panels. The accommodation is arranged over two floors. A long entrance hall, cloakroom/W.c, study/playroom, utility room, kitchen/dining room with integrated appliances and a connecting open plan sitting room are on the ground floor. The latter combine to make a first class living space, light and sunny, with a bank of glazed doors that open on the garden and the super view. A staircase leads up from the hall to the first floor, with a landing, three bedrooms and a bathroom on this level. The view from the windows at the front is very special and tasteful, high quality fittings have been used throughout. A brilliant house, offered to the market with no onward chain - viewing essential.

Outside

The interior is complimented by driveway parking and a large garden with a terrace. A drive leads down from Victory Road. This is owned by the property with a right of access for the neighbouring house, This leads to a gravelled drive to the side of the house with space to park several vehicles. The garden is at the rear, and this large area has just been re turfed - a generous blank canvas ready to make your own. There is a large terrace directly behind the house and this is the perfect place to sit and enjoy the super view and sunny aspect. Bi-fold doors open to connect this to the living space, connecting the inside with the outside.
