The Property

The property offers two points of access into the home, with the main entrance located at the side of the property, leading immediately into an entrance hall. From the entrance hall, you enter the extended kitchen, dining, and family room, which is arguably the main feature of the house. This room boasts flagstone flooring throughout, the Neptune kitchen features a lovely central island with a quartz work surface and pendant lighting. The island includes drawer and under counter storage, an integrated wine cooler, and a breakfast bar with space for bar stools. Around the perimeter of the kitchen are further base and wall units, all topped with quartz work surfaces. Set within an inglenook-style recess is an Everhot electric range which has twin hot plates and a Neff extractor fan above. There is space for an American-style fridge/freezer, enclosed by a collection of storage units that wrap around. An integrated Smeg dishwasher seamlessly blends into the kitchen units.

A small step up from the kitchen/dining room opens beautifully into the family room, which offers an abundance of natural light through its wide sliding bi-fold doors that lead out to the garden. This room also features flagstone flooring and a corner log burner, making it the ideal family and entertaining space that perfectly connects the garden to the house.

Further access from the entrance hall leads to a lovely sitting room at the front of the property, providing a cozier and more secluded feel with an inset log burner. A study, also at the front of the property, features a fireplace and gives access to the small front hall with stairs leading to the first floor. The downstairs accommodation is completed by a WC and a utility room with storage units and a sink.

The Property Continued...

The stairs from the front hall rise to the first-floor landing, where all accommodations can be found. Two double bedrooms are at the front of the property, both offering equally spacious accommodation and views to the front.

The principal bedroom, located at the back of the house, offers stunning and far-reaching views over the rear of the property and has a spacious feel with its vaulted ceiling. This room is accessed via a dressing room and includes a large ensuite shower room.

Bedroom four, situated to the side of the property, is also a lovely double bedroom. All bedrooms are serviced by two additional bathrooms, one with a bath and the other with a shower.

Grounds & Gardens

The property is approached via a gated picket fence with a gravel pathway leading through the lawned front garden up to the main side door entrance. The front lawn is mostly grass, with the house slightly set back within its plot.

A side wooden gate opens onto a driveway that leads to the rear of the property, where there is additional parking and access to the yard, stables, and outbuildings. The rear garden, accessible via both the kitchen and living room, is predominantly laid to lawn with a variety of shrubs and trees.

A side garden, flanked by hedgerow, houses a mobile home currently being rented out, all sitting on a plot with its own front and rear garden.

There are also holding areas for livestock.

The property includes approximately 14.5 acres of land in total, with approximately 13 acres as paddock, divided by post and rail fencing, offering a lovely view toward the New Forest countryside at the rear. The grounds are a real feature of this property, providing ideal equine facilities with fantastic riding opportunities or simply offering privacy and seclusion.

The Yard & Outbuildings

- Stable block with six stables and a lean to storage area to the rear
- Further detached stable
