Description

9 Amsterdam Way was constructed to a high standard five years ago and still has the balance of a 10 year Protek warranty. The property offers over 2000 sq.ft. of versatile, light and adaptable accommodation laid out over three floors. The ground floor consists of a large entrance hall complete with a utility area, reception room and double integral garage and whilst this floor is currently part of the main house it could easily be re-configured into a separate flat which makes this property ideal for those looking for multi-generational occupancy. To the first floor is an impressive open plan kitchen/dining/living area with sliding doors out to a substantial balcony from which you can enjoy the stunning sea views and makes for a fantastic entertaining space as well as ideal for family living. This floor also has cloakroom and a separate reception room which could be used as a study or a fifth bedroom. The second floor enjoys a master bedroom with en-suite bathroom, again enjoying the views and there are two further bedrooms and a large family bathroom. Outside the property enjoys ample off road parking and a very impressive south facing garden. The property is conveniently situated in a private cul-de-sac just off Bexhill Road and close to shops, supermarkets, schools and recreational facilities and fashionable St Leonards with its popular bars and restaurants is a short distance away and also has a mainline station with regular services to London Charing Cross. Viewing is highly recommended.

Directions

From St Leonards seafront proceed in a westerly direction along the A259 passing Aldi on your left and the entrance to Amsterdam Way will be found a short distance along on the left hand side.
