

Oakwood Estates is thrilled to bring to market this beautifully decorated, move-in-ready, two-bedroom, terraced cottage which is separated from the terrace on one side, with garage, mature garden and parking. The property is situated on the edge of Iver Village, within walking distance of local amenities. The M4/M40/M25 motorways are within a short drive and the house is well located for access to Heathrow Airport, The Elizabeth Line, Reading and London.

Upon entering the property through the porch, you are immediately greeted by a bright and inviting living/dining room. This space features warm wooden flooring and a multi-fuel wood burner, creating a cozy atmosphere perfect for relaxing or entertaining. A staircase gracefully ascends from this area, leading you to the bedrooms located on the upper floor.

As you move through the living/dining area, you'll discover a sleek, modern kitchen which has been designed with a contemporary touch, featuring glossy cabinets, integrated appliances, a stylish tiled splash back, and a durable composite worktop. Adjacent to the kitchen, a rear porch/boot room provides practical storage and easy access to the garden, ideal for muddy boots and outdoor gear.

Upstairs, the property continues to impress with a modern, fully tiled shower room. This space is well-appointed with ample storage, a WC, and a wash basin, offering both functionality and style.

The carpeted landing connects to the smaller bedroom, which is well-suited for a single bed and with room for double wardrobe. This room includes a window that overlooks the tranquil rear garden, providing a peaceful and pleasant view.

The main bedroom is a serene retreat, featuring a large window that frames a breathtaking view of the open fields to the front of the property. This room is carpeted for comfort and includes a fitted storage cupboard, offering generous space for all your belongings.

The house has a folding hatch access ladder leading to the loft which is fully boarded out for storage with lighting and electrical points.

The garage has space for one car, currently fitted out as a craft workroom but also includes an insulated office room with door access to the garden and garage. Both have lighting and electrics. There is further space for a car to be parked in front of the garage accessed via a private shared road off Iverdale Close.
